Testimony of Judge Kittredge, of Vermont.
DEAR SIR:—I beg leave to add my testimony in favor of "GARDINER'S RHEUMATIC AND NEURALGIA COMPOUND." After suffering with Rheumatism more or less for twenty years, and last year with a very severe attack, I took one bottle of your Compound, which afforded decided relief.

I think it the best and most efficacious medicine for that disease I ever used.
F. H. KITTREDGE.
"Gardiner's Rheumatic and Neuralgia Compound" is the best medicine for the disease I ever saw.

No. 1 Old State House, Boston.
After suffering with Rheumatism twenty years and being confined to my bed several weeks last spring, I was entirely cured by the use of one bottle of "Gardiner's Rheumatic and Neuralgia Compound."—NORTH-BRITAIN, 75 Franklin Street, Boston.

Having been a constant sufferer from Neuralgia for eighteen months, and been driven by excruciating pain to the trial of numerous remedies without obtaining relief, I was induced to try "Gardiner's Rheumatic and Neuralgia Compound." I have taken but one bottle and am entirely well.—D. L. BAXTER, Dry Goods Dealer, No. 5 Appleton Block, Lowell, Mass.

I have been afflicted with Salt Rheum in its worst form for a long time, and suffered more than can be imagined, except by those similarly afflicted. I tried one bottle of your Compound, and can honestly say that I believe myself entirely cured.—JOHN A. MORRIS, Pearl St. House, Boston, Mass.

My son ten years of age, has been three years a great sufferer from Salt Rheum, has hands covered with sores and in constant pain: one bottle of your Compound cured him.—J. W. HAMMOND, 99 Milk Street, Boston.

Gardiner's Rheumatic and Neuralgia Compound has entirely cured me of Neuralgia.—W. C. THOMPSON, Proprietor Pearl St. House, Boston, Mass.

One half a bottle of your Compound cured me of a severe attack of Neuralgia.—FANNIE S. THOMPSON, Pearl St. House, Boston.

I certify that my friend Wm. T. Glidden, Esq., presented me with a bottle of "Gardiner's Rheumatic Compound" in 1859, when I was suffering with a painful attack of Neuralgia and Rheumatism, and that it proved to be a decided benefit.—ALBERT SMITH, Esq., Member of Congress from Maine.

**DR. COLBY'S
ANTI-COSTIVE & TONIC
PILLS.**

A CANADIAN REMEDY
For Costiveness, Irrregularity and Debility of the Digestive Organs, Inducing Headache, Lassitude, Nervousness, General Prostration of the Mind and Body, Paralysis, &c.

A moment's reflection ought to convince a sensible man of the folly and danger of constantly dosing with Cathartic Medicines. The practice is pernicious and suicidal. An experience of forty years has taught me that the constantly increasing evils of indigestion are fearfully aggravated by the too free use of Cathartics. The American people, becoming a nation of dyspeptics by their artificial modes of life, Drastic Cathartics increase the irritability, and prostrate the strength of the digestive organs.

The Pills now offered are especially designed to allay this irritability, and to induce the bowels to discharge their contents in a regular manner, while they are gently laxative. They are anodyne, tonic and laxative. They are so mild and invigorating that one is not reminded by any disagreeable effects that he has taken medicine. Business Men, Students, Professional Men, Female, and all persons leading a confined or sedentary life, should try them.

The undersigned Physicians, cheerfully certify to the high professional standing of Dr. Colby of Stansford, one of the oldest and best Physicians, and to the excellent qualities of his "Anti-Costive and Tonic Pills," which we have used in our practice, and highly approve of.

THE
ONLY DISCOVERY
WORTHY OF ANY CONFIDENCE FOR
Restoring
THE BALD AND GRAY!

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its restitutive sway. Read the following—
Bath, Maine, April 18th 1859.

Prof. O. J. Wood & Co. Gentles: The letter I wrote you in 1850, concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous inquiries touching the facts in the case. The inquiries are, first, is it a net of ray habitation and name, as stated in the communication; second, is it true of all those contained; third does my hair still continue to be in good order, and of natural color? To all I can and will answer invariably yes. My hair is even better than in any stage of my life for forty years past, more soft, thick and better colored; the same is true of my whiskers, and the only cause why it is not generally true is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face, in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has no doubt been largely imitated and been used, not only without any good but to the injury. I have not used any of these Restoratives of any account for some months, and my hair is as good as ever, and hundreds have exclaimed "I am now 60 years old and not a gray hair in my head or on my face; and to prove this fact I send you a lock of my hair, taken off the past week. I received your favor of two bottle last summer for which I am very grateful. I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask as a favor, that you send me a test by which I can discover fraud in the Restorative sold by many. I fear without authority from you. A pure article will insure success and I believe where good effects, do not follow the failure is caused by the impure article which causes the inventor of the good. I deem it my duty as heretofore to keep you apprised of continued success on my part, as I assure all who enquire of my unbroken opinion of its valuable results. I remain, dear sir, yours,

A. C. RAYMOND.
Aarons Run Key, N. H., Nov. 30, 1858.

Prof. O. J. Wood & Co. Gentles:—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my hair nearly gone, I was finally induced to try a bottle of your Hair Restorative. Now candid and justice compel me to announce to whoever may read this, that I now possess a new and rich growth of hair, and that my hair is richer and denser than the original was. I will therefore take occasion to recommend this invaluable remedy to all who may feel the necessity of it.

Respectfully yours, REV. S. ALLEN BUCK.
P. S.—The Restorative of my friend, O. J. Wood, is your valuable medicine you are aware of is unsolicited, but if you think it worthy a place among the rest, insert it if you wish; if not, omit it and say nothing.

Yours, &c., S. A. B.
The Restorative is put up in bottles of three sizes, viz large, medium, and small; the medium holds at least twenty per cent. more in proportion than the small. Small for two dollars, per dozen for large bottles, a quart 40 per cent. more in proportion and retail for a month. O. J. Wood & Co., Proprietors, 411 Broadway, New York, and 112 Market Street, St. Louis, Mo. And sold by all good Druggists and Fancy Goods Dealers.

ST. NICHOLAS HOTEL,
BROADWAY, NEW YORK.

BOARD REDUCED TO \$2 PER DAY.

Since the opening of this vast and commodious Hotel, in 1854, it has been the single endeavor of the proprietors to make it the most sumptuous, convenient and comfortable for the transient and stranger on this side the Atlantic. And whatever has seemed likely to contribute to the comfort of its guests they have embraced, without regard to cost, to provide, and to combine all the elements of individual and social enjoyment which modern art has invented, and which have been approved, and the patronage which it has commanded during the past six years is a gratifying proof that their efforts have been appreciated.

To meet the exigencies of the times, when all are required to practice the most rigid economy, the undersigned

Have Reduced the Price of Board to
Two Dollars per Day,
at the same time abating none of the luxuries with which their table has hitherto been supplied.
